**Who we are**  
Since 2006, Cambiar Real Estate Group, LLC has been serving the Omaha Metro with property management and leasing services. We specialize in higher end residential and light commercial properties but our portfolio contains a wide range of property types. We pride ourselves in providing personalized service and we treat each property and tenant as our own.  
Unlike the large companies in town where you are simply an account number, we are a small company so each client is important to us. We know each owner, property and tenant by name.

**Agent Referrals**  
When you refer a tenant and we sign a lease with them, we'll pay you a referral fee when the tenant moves in. If you refer a property owner and they sign a management and/or leasing agreement, we'll pay you a referral fee, plus return the listing back to you when the owner is ready to list it for sale. **We will protect your referrals at all times.** We are not in the business of representing buyers and sellers so you don't have to worry about referring a client to us and losing out on a future sales transaction.
